(d) if so, the details thereof;

(e) whether any compensation has been paid in respect of those who have died or were injured as a result of the accident; and

(f) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a) and (b) An accident took place in Cooling Tower No. 1 at Simhadri Thermal Power Project of the National Thermal Power Corporation (NTPC) on 28th March, 2001. The construction work of Cooling Tower is being executed by M/s National Building Construction Corporation (NBCC), a Government of India Undertaking, under a turnkey contract. The temporary access to facilitate transport of material was made of scaffolding pipes to the height of 165 meters. This temporary access scaffolding collapsed at about 10.30 PM on 28th March, 2001 due to which six persons of sub-contractor of M/s NBCC succumbed to injuries and one person who was admitted to hospital was discharged on 6.62001.

(c) and (d) A high level Enquiry Committee had been constituted by NTPC to enquire into the accident. The Committee submitted its report. The Committee feels that the cumulative factors like accidental jamming of the concrete bucket with the structure resulting in loosening of some couplers and loss of some members, possible loosening of some of the couplers of the scaffolding contributed to the accident and that the responsibility lies with M/s NBCC. The Committee suggested various recommendations to M/s NBCC to prevent recurrence of similar accident.

(e) and (0 An *ex-gratia* of Rs. 2.50 lakh to each family of those killed in the accident has been paid by M/s NBCC. Besides, statutory payment of about Rs. 2.00 lakh as compensation under Workmen's Compensation Act is also being paid. Further, the treatment charges of the injured person as well as salary for that period has been paid by M/s NBCC.

Construction of power plants

3271. PROF. M.M. AGARWAL: Will the Minister of POWER be pleased state:

(a) the number of power plants under construction for the last three years in Uttar Pradesh, Orissa, Uttaranchal, Madhya Pradesh, Rajasthan, Chhattisgarh, Jharkhand and North-Eastern Region; and

(b) by when each power plant is likely to be completed and the details of amount likely to be incurred on the aforesaid power plants in these State?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a) and (b) Details of thermal/hydro power projects which are under construction and also those which have been commissioned during the last three financial years in Uttar Pradesh, Orissa, Uttaranchal, Madhya Pradesh, Rajasthan, Chhattisgarh, Jharkhand and North-Eastern Region indicating commissioning dates/likely date of commissioning and the estimated cost are given in the Statement.

Statement

Details of Thermal/Hydro power projects which have been already commissioned and which are under construction together with their estimated cost
